Greetings,

We are pleased to inform you that you have been approved to live in the Technion dormitories for the 2021-2022 Winter and Spring Semesters.
Dorm Complex: ________

Please note that due to the corona crisis, it is imperative to keep track of the periodically changing Technion guidelines. Any student who gets infected or needs to remain in quarantine must do so at home and not in the dorms (except under exceptional circumstances and with the approval of the dormitory management).

Conditions for Accepting your Eligibility to Live in the Dormitories
You must sign a letter of commitment (housing contract).
You can download the contract from the dormitory website and, after filling out your personal information, you must send it to the Student Accounts Department either by fax (04-8293855) or by email (schar_limud@technion.ac.il).

Obligation to Accept/Waive your Right to Dormitory Housing
The right of dormitory residence is reserved for you only, and cannot be transferred to anybody else.
After the Student Accounts Department receives and accepts your letter of commitment, you must confirm or cancel your eligibility on the dormitory website by 20.2.2022
- If you do not confirm or cancel your intention to exercise your eligibility by 20.2.2022, your eligibility to live in dorm housing will be cancelled and the place reserved for you will be given to another student.
- If you confirm your intention to live in the dormitory but do not arrive to receive the key on the date of entry, you will be charged a fine of 500 NIS and your eligibility for dormitory housing will be cancelled.

Date of Entry into the Dormitory and Receipt of the Key
A message regarding your date of entry into the dormitory will be sent to you via email at a later date from the dorm complex office. The date cannot be changed. You may give someone a power of attorney to receive the key on your behalf. They will need to bring a letter signed by the student (you) and a photocopy of his/her ID card.

Guidelines provided by the Ministry of Health must be followed (wearing masks, social distancing, avoiding gatherings) when coming to pick up the key and you must come only at the date that has been set for you.
Entering the Technion with a vehicle will only be possible on the date of entry designated for you and with the presentation of this letter. After this date, entry will only be permitted with the approval of the Security Unit. 

**After two days from your entry into the dormitory, you can request a vehicle entry permit label from the Security Unit website.**

**Your dormitory placement is determined in advance and no information will be provided by telephone regarding placement and/or roommates.**

**Rent in the Dorms**

Please note that rental rates are periodically updated. To view the rental amount, please see: [https://dorms.web.technion.ac.il](https://dorms.web.technion.ac.il).

The rent will be charged monthly through an account debit authorization that is also used to collect tuition at the Technion. The rent is due on the 10th of each month. The rent is determined according to the date of entry and exit from the dormitories, in half month intervals:

- **Entry between the 1st and 15th of the month or departure from the 16th of the month to the end of the month** – will be charged a full month’s rent.
- **Entry from the 16th of the month to the end of the month or departure between the 1st and 15th of the month** – will be charged rent for half of the month.

**Students who leave the dormitory in the middle of the semester must pay rent until the end of that semester.**

**Contents of the Dormitories**

Information regarding the contents of the rooms and apartments can be found on the dormitory website.

**Important:** do not remove equipment from the apartment. Bringing in equipment is only permitted with the approval of the person in charge of the complex. The contents of the rooms are not insured.
